HI-Banff Alpine Centre

Welcome to one of the best hostels in Canada, nestled in the spectacular Rocky Mountains. No matter what time of year, the HI-Banff Alpine Centre makes the ideal home base for exploring the beauty of the Rockies. We've got a popular on-site pub (the Storm Cellar) and restaurant (Cougar Pete's). We also have top notch private rooms, not one but *two* private fireplace lounges and even an ice climbing wall in the winter. The two individual cabins are great for families and groups.
