# Hostelling 101

## Experience the World through Backpacking!

Students will get the opportunity to be exposed to the unique travel environment of other people and cultures through staying at one of our hostels. In addition, our staff of experienced travellers will educate them about the world of hostelling.

## What does the program consist of?

- One overnight stay at a hostel in the Pacific Mountain Region
- An interactive presentation covering the topics of:
  - How do I start planning my trip?
  - What should I pack?
  - What safety precautions should I take?

These questions will be answered and students will get the opportunity to participate in a packing game where they prepare for a hostelling experience in a foreign country.

## Free HI Memberships

All students will receive a free Junior HI-Membership valid until their 18th birthday. This membership entitles them to guaranteed discounts at HI-Hostels and also discounts for activities, transportation, restaurants and other services across Canada.

**Starting from \$17 per student**
