HI-Vancouver Downtown

Large, modern and in the heart of the city!

This hostel offers everything the budget traveller could want. Located in the trendy neighbourhood of the West End; Davie Street is a block away and full of great restaurants while English Bay is a few blocks west and packed in the summer which guarantees great people-watching.

The dorms are small (4 people max), the common areas large and the staff super-friendly. Take advantage of this great location and walk to world-famous Stanley Park or just grab a cappuccino or sushi to go and relax on the hostel's patio.
