HI-Vancouver Jericho Beach

Location:
49°16'24 N 123°12'10 W

Vancouver's only hostel on the beach! Ideally suited to groups.

This hostel is the best place to be in the summer. Located right in Jericho Beach park, it's the ideal choice for travellers who want to stay at the beach in a park-like setting with stunning views, yet still have access to the city's urban highlights.

From the beach you see nothing but the Pacific Ocean, north shore mountains, Stanley Park and downtown Vancouver. Play beach volleyball, take a kayak trip, cycle the nearby bike routes or grab a bite to eat at Jerry's Cove cafe on-site and sit back and relax.

HI-Vancouver Jericho Beach caters exclusively to groups from October to April. Please inquire about our competitive low-season group rates.
